The *ARBBL* wargaming group in Andover is pleased to present:

The ARBBL Open 2011

19th – 20th March 2011

VENUE & ACCOMADATION

Scout Association Gilliat Scout Hall,
28 Marlborough Street,
Andover,
Hampshire
SP10 1DQ.

Gilliat Hall is a couple of minutes from the town centre and bus station, and about 10 minutes from the train station. Location is relatively easy to find on foot, as it's just behind the college/theatre. Parking is available on a first-come, first served basis (approx 10 spaces), though local parking is nearby.

Andover is just off the A303, which links to the M3 near Basingstoke, which itself joins the M25. Trains are regular, and inexpensive from London Waterloo.

You need to find accommodation for yourself. B&Bs are pretty common, and there's a Premier Inn just outside town. Andover tourist Information can help with finding accommodation (andovertic@testvalley.gov.uk 01264 324320).

RULES

TV115

[Blood Bowl Competition Rules](#), the official 21 teams and the 3 “official-but-not-in-the-CRP” teams are allowed. New team rosters can be found at: [New Teams for Blood Bowl](#)

No Star players, except for stunty teams (Halfling, Goblin and Ogre), who can take 1 Star player (and only one, so no Brick & Grotty). All teams must be legal, with at least 11 rostered players - Stars do NOT count towards this total.

Halflings may hire a Master Chef for 50K and Goblins may take 0-3 Bribes at 50K each.

Any team can hire 0-2 Bloodweiser© Babes at 50K each.

No other inducements may be taken.

Stunty Cup legal Lizardmen and Underworld teams (which means Skinks/Kroxigor or Underworld Goblins/Troll only) may take 1 Stunty/Big Guy Star from their respective lists.

6 rounds, Swiss System. The Event will be NAF ranked.

If enough Stunty teams enter, I will try to run the Stunty Cup.

As per last year, the bottom 4 players after round 5 will play in a 4-team Deathbowl-type match. Rules for this will be explained at the time.

Games should last max 2 hours. Time for rounds will be quite relaxed, but for the sake of the other players, please try to play at a sensible speed - if everyone else is finishing, and you're just starting the 2nd half, you really need to speed up.

Dice – before a game, coaches should agree on what constitutes a “cocked” dice, and point out any faces that have graphics instead of numbers/dots. If you're using non-standard Block dice, please make sure your opponent is aware of that face means what.

If you want to share dice, please tell your opponent before the game starts, and decide on which dice to share.

Finally – NO “lucky” dice that only get pulled out of the bag/dice box for crucial plays – it can foster the impression they're not fair dice.

Please bring with you a pitch and dugout, templates, dice and two completed rosters (one to hand in, one to use/show your opponent).

SKILLS

BEFORE registration, you may choose 4 normal skills and 2 normal or double skills (coaches choice - no stat increases), max of one per player. Number these skills 1-6 (doubles being #2 and #5) – these are the games they come into effect. All skill choices should be shown on your roster. If you do not allocate skills before game 1, you will not have a skill for that game, and will be asked to choose all skills before game 2.

Stunty teams (Halflings, Goblins, Ogres, Skaven-less Underworld and Saurus-less Lizardmen) may take an additional normal skill for round 1, and another for round 4, for a total of 8 skills.

Vampire, Underworld, Chaos Pact, Slann, Nurgle, Chaos and Khemri can all take one normal skill for round 1, for a total of 7 skills.

Humans, (Pro) Elfs and Necromantic can all take one normal skill for round 4, for a total of 7 skills.

I know no-one will do so, but anyone found altering their skills between rounds will have their scores for previous rounds reset to 0. If you or your opponent is found to have taken an incorrect skill, the incorrect roster will be given a basic loss for points (no TDs, no Cas), and the coach asked to correct the skill before the next round is announced.

SCORING

50 points for a win
25 points for a draw
5 point for a loss
0 points for conceding
3 bonus points will be awarded for each touchdown scored (Max 9)
2 bonus points will be awarded for each Casualty scored (Max 6)
A bonus point will be awarded if you keep a clean sheet.

For bonus purposes, a Casualty is any result of 10+ on the Injury roll (9+ for Stunty players) resulting from a Block, Secret Weapon, Crowd Push or Foul.
Failed Dodges, GFIs, Throw a Rock kick-off results etc do not count.

Tiebreak will be TD difference, Cas difference, total TDs then total Cas.

Sportsmanship

Should go without saying, but we're playing to have fun, so please play nice, but try your best at all times. Anyone deemed to be playing contrary to this will be given a "quiet word" – no deliberately playing to get to the bottom of the table.

Prizes

Prizes are to be confirmed.

Simon and the guys at [ARBBL](#) look forward to seeing you.
